New changes

There were quite a few changes in the Winter pack and some further changes for Summer, therefore they have all been added here for easy reference. As always, any questions, please shout.

Game Points

To make the league more competitive, especially for those games that are really tight, we're changing up how points are scored. From September 23, points will be awarded as follows:

- 5 points will be awarded for a win.
- 3 points will be awarded for a draw.
- 2 points will be awarded if the score finishes within 5, eg. Team A: 54 Team B: 51. In this scenario, Team A will be awarded 5 points for winning and Team B will receive 2 points for scoring within 5 of the winning score.
- 1 point will be awarded if the opposing team gets 50% of the winning team's score.
- 0 points will be awarded for a loss.

Borrowed Players & Floaters

Division 2 players cannot borrow a player from a Division one team. Teams will be able to borrow a player from another team **3 times**. Rule 2.8 still remains.

Teams will be able to borrow 1 player or use 1 floater even if they have 7 players from their team present. This is primarily to aid with players coming back from injury or long-term absence, such as maternity.

Team Sheets

A friendly reminder that if you have a player that is no longer on your team, please make sure you remove them from your team sheet so you are able to add additional players.

Scorecards

To allow us to share scores and results quickly, teams will now need to share an image of their scorecard with Michelle and Hannah (Committee). This will allow us to share results on social media and keep the results table up to date on our website. Please send an image of the scorecard via FNL results WhatsApp group and post the physical scorecard in the box at Three Hills. Please don't forget to send an image or else we won't be able to share scores!

Where do we add borrowed players & floaters?

- Borrowed players to be added to the section 'Loaned player name & team' below the starting 7.
- Floaters in the floater section – Opposing team captain must sign prior to match start.
- New player added to the new player section – Opposing team captain must sign prior to match start.
- All captains will be responsible for checking affiliations of new players prior to match starting. Unaffiliated players will result in point deductions.

Umpires

Must write on the scorecard if a scorer has not been supplied. Teams will be deducted 1 point consequently.

Must add the teams and their colours to the scorecard.

Must not choose a borrowed player as the Star Player.

Scorers

To make sure scorers have a clear view of the game, they will now need to stand on the far side of the court. As a reminder, the scorers are responsible for calling out the score as each goal is scored. Scorers can either select an 'end' to call for, or can call each time the team they are scoring for scores. If you ever need any help or have any questions as a scorer, please speak to the umpires.

Fixtures

Games cannot be rearranged by either team. This is purely down to logistics and tight timelines with fixtures, etc.

Other

If a game has been called due to injury or an extreme circumstance to the umpire:

- in the last quarter, game will be concluded and goals will stand.
- Before the last quarter, game will be re-scheduled.

4.3 Teams must offer their Umpire reasonable expenses, £10.00 for an IO qualified umpire and £15 for a C award and above qualified umpire. Teams are liable for expenses if they cancel a match and do not inform the umpire. See info tab on fixtures spreadsheet. However, Umpires offering to cover a game for another umpire should only expect a fee of £10.
